Nuno Duarte Silva
Broker Owner
Remax Platina

“

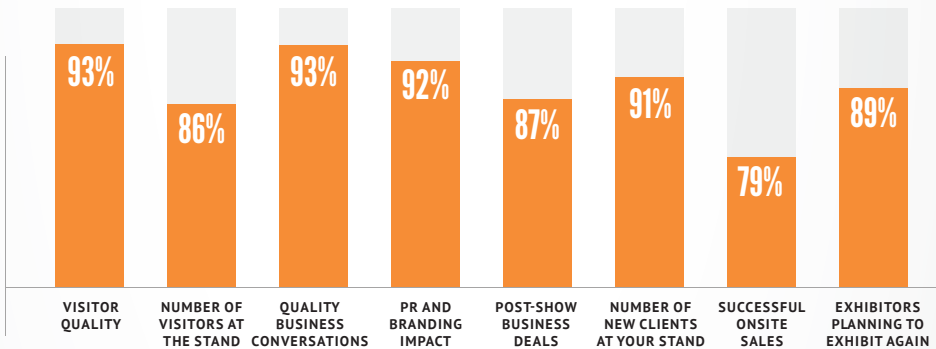

The participation of Grupo Remax Platina de Portugal at the International Property Show in Dubai has been very positive and rewarding for our group but mainly for our clients. We have been able to promote the properties of our clients and raise the interest of real investors in our country. Portugal is currently the country that has the best program of Golden Visa and in addition, manages to offer a high profitability. We feel that our presence has become mandatory.”
